Hampton's style meets family functionality

A family home in every sense. Offering design and lifestyle flexibility for the large or growing family. The centre of the home is a superbly appointed kitchen that leads to multiple dining and entertaining areas both inside and out.

Two large living areas provide for the entire family with the opportunity to accommodate older children or parents on one end of the home, whilst still allowing for the rest of the family to be provided for in comfort.

- All bedrooms have built-in robes
- Large master bedroom with walk-in robe and ensuite
- Undercover entertaining area links the home to the IG pool, ideal for family and entertaining guests
- Well-maintained parcel of land with plenty of room both front and back
- Sought after location, ready to move straight in
