Affordable living at its best is what is on offer at 18 Tarcoola Street Pooncarie. This neat little 3 x bedroom cottage located just down the road from the Pooncarie Hotel and general store has plenty of character with corrugated dado, wood heater, evaporative air conditioner in the lounge, bathroom with shower, vanity and toilet, 6.6kw solar power, fully fenced and the Darling River over the back fence. Why not form a syndicate and own your ideal fishing shack for less than the price of a caravan or have it as a quiet getaway and we will even throw in the phone booth.
