A classic home that has been carefully maintained over the years, this solid residence provides the foundation or location for a high-quality contemporary lifestyle. Full of character and retro appeal, it presents the perfect opportunity to relish the nostalgic vibe, bring in some modern sparkle or even start afresh with a new family home (STCA). Situated on approx 599sqm, enjoying an elevated position and with a sparkling pool ready for summer, the accommodation is set over two levels where the main living area is flushed with sunshine and spills out to a broad balcony capitalising on the northerly aspect. Original and inviting, the timber kitchen offers plenty of cupboard space, while the timber-lined dining zone is super-cool with built-in banquette seating maximising the space. With sliding doors out to the pool and established garden, a sitting room could provide a further bedroom if needed - two bedrooms and a rich navy bathroom inside plus a handy poolside facility are also offered. Versatility comes in the form of three office areas on the lower ground level, which could be adapted for those who work from home, need storage space or simply a quiet spot to breakaway - rounding off the package is hydronic heating throughout, reverse cycle air conditioner unit and generous off-street parking. In a neighbourhood rich with amenities, the home is close to the local playground and recreation facilities at Ted Ajani Reserve, while quality schooling, Doncaster Shopping Centre and the Eastern Freeway are all within easy reach.
