Great opportunity to secure your next family home that already has the shed for dad and is a blank canvas ready to transform. There are 3 bedrooms (although 1 has had a couple of walls removed), the main bedroom has built-in robes and ceiling fan. Good sized air-conditioned lounge room sits beside the dining area that opens out on to the back verandah. Separate kitchen with plenty of space and a generous pantry already in place. Both the kitchen and bathroom would be original and definitely in need of renovating. Polished floors throughout the majority of the upstairs level, air-conditioner in the lounge room and glass doors out to the front verandah from the lounge area. The laundry is located downstairs but the rest of this space has not been developed. Out the back is a double bay garage, small pergola area, a water feature (this needs a revamp) and all of this sits on an 855m² block. The property is within walking distance to the Riverview Primary School and St Peter Claver College is a short drive away, there would be public bus service available too. Redbank Plaza Shopping Centre is less than 2.5km approximately away and Redbank Plains Town Centre is also only approximately 7km away. For those that work in the Ipswich CBD, you are under 12km away and you could jump on a train at the Riverview Train Station. **DISCLAIMER:** First National Action Realty has taken all reasonable steps to ensure that the information contained in this advertisement is true and correct but accept no responsibility and disclaim all liability in respect to any errors, omissions, inaccuracies or misstatements contained.
