This home was moved by horse and cart from the Old Onslow town site in circa 1925 and now sits on a large 1012 sqm block. The home is 3 bedroom, 1 bathroom, with an open plan living area, gas stove and oven and all rooms have ceiling fans. There is also a front and rear verandah to sit outside and enjoy the weather. The property has a small shed and an undercover carport. The large block allows for ample of parking and space for gardens. This property could make an ideal fishing getaway or you could clear the block and develop to take advantage of the current high demand for quality rental properties.
