around \$900,000

This premier property, spanning a total floor space of more than 259 sqm is drenched in natural light, and provides an enchanting outdoor living experience. Built in 2012 and designed to detail. The sophisticated contemporary style is visible from every corner, from the spectacular kitchen with its outstanding feature lights to the large porcelain tiles, vaulted ceilings, heated pool and fully ducted air conditioning. To add to the appeal, the home is positioned in a tidy street on a low maintenance block. Features of the property...

MASSIVE 5 BEDROOM HOME: The floor plan is designed with families in mind, including a separate 'kids wing' with three double-sized built-in bedrooms, a spacious master suite, and both a living area and media room.

SEAMLESS INDOOR/OUTDOOR LIVING: The main open-plan living area effortlessly connects to the expansive outdoor entertainment space looking out over the resort style pool. The patio area offers shade blinds.

RESORT STYLE HEATED POOL: The beautifully landscaped pool area resembles a resort, complete with a stunning water feature, semi-frameless glass fencing for unobstructed views, a separate Cabana/ Bali Hut with beautiful timber detailing sourced from Eungella. This outdoor area offers total privacy and luxury living.

CHEFS KITCHEN: The kitchen is perfect for a master chef, featuring stone countertops, a gas stove, electric oven, plenty of cupboard space, glass splash back and beautiful drop-down pendent lights.

MASTER SUITE: The master bedroom is a standout feature with its opulent ensuite, featuring his and hers walk in robe, stunning bathroom with a double vanity, a its own split system air conditioner.

STORAGE, GARAGE & SHED: Storage is abundant throughout the home, with 2 storage cupboards in the hallway, and additional storage in the garage. The automatic double garage can be driving through to a 2-bay powered shed.

ADDITIONAL highlights of this property include its modern amenities, such as fully ducted air conditioning, security cameras, crime mesh screens, high ceilings, freshly painted inside and out and the entire home is appointed with high-quality fixtures and fittings.
