Situated only a stones throw from Latrobe University this 4 bedroom, 2 bathroom home was initially designed and built for investment and offers a great opportunity to access a strong return on investment. Features include 4 bedrooms, all with built in robes, 2 separate bathrooms, laundry and open plan kitchen/meals/living. The kitchen includes gas cooking and breakfast bar and overlooks the lounge/dining with reverse cycle split air-conditioning. From inside to out there is a double carport all set in a private yard. The position is excellent being close to Latrobe University, Bendigo South East College, Kennington shopping and only a short drive to the CBD. Fantastic entry level investment or family home on a budget with the four bedrooms. (Note; this property represents one of four separate properties from an estate, all in a row, and being sold simultaneously. At this point there is an opportunity to purchase all four properties and further develop if desired).
