This meticulously cared for home on a generous corner allotment of approx. 845m² with two street access points is a fantastic opportunity for the owner occupier, investor or developers S.T.C.A. Within easy walking distance to Weekend Market, bush trails, café/bakery and a tad further to recreational amenities. The home with deep windows is flooded in natural light and offers 3 bedrooms, master with walk in robes and direct access into the central bathroom. There is a generous sized lounge with adjoining dining with bay window, well-appointed kitchen opening onto a family meals space which then gives access to a private alfresco area. Externally there is excellent fencing around the well-established gardens, garden shed and large double garage/workshop with electric roller doors.
