Trevor Grady of Tom Grady Real Estate is excited to present this prestigious 7,881m² property in an idyllic location surrounded by well appointed homes, all having great views and gentle coastal breezes. This glorious easterly facing parcel of land has the added bonus of harvesting the sunshine as it rises over the horizon on those brisk winter mornings. The property is complimented by its location, aspect and style. It boasts a large 4 bedroom brick veneer home with a massive entertainment area. All bedrooms have built in robes, with the master having an ensuite with walk in robe. A well designed, high quality laminate kitchen overlooks the entertainment area and salt water swimming pool which has been finished off with decorative concrete and selected sandstone arrangements. The recent construction of a large 16m x 9m Colorbond shed suitable for trucks, motorhomes, caravans and general vehicles has just been completed with retaining wall and concrete driveway which looks an absolute treat. There is also another 9m x 7m Colorbond shed for cars and four wheel drives with similar concrete drive way. The front yard is flat and could be used for friends and family to park caravans and stay for while if required. This property has been professionally presented with established gardens and attention to fine detail and is an absolute credit to the owners.
