\$835,000

This charming brick home in very good original condition is an opportunity not to be missed! Classic period features including decorative ceilings, and large bedrooms complement a second living area to provide a springboard to renovate into a family home or live comfortably as is. A near flat 303 sqm block will enable you to extend the existing property (STCA) to the limit of your imagination to create your dream home. This property has been in the loving hands of its existing family for over 70 years and is ready for it's next owner to make their mark. • Sunny 303 sqm block with low maintenance yard • Separate lounge and eat in kitchen • High decorative ceilings, original windows and fireplace • Impressive street presence • Updated bathroom • Study area • Walk to Mayfield Pool and commercial/retail centre • Sought after and tightly held suburb • Become part of this vibrant community so close to the city
