Completely remodeled, this timeless coastal beach house located on the doorstep of Diamond Bay and back beach tracks offers exceptional indoor and outdoor living spaces within a stunning garden setting of 1,615sqm (approx.). Beautifully presented with oak flooring, timber-lined walls and ceilings, an open fireplace, marble kitchen bench tops and a private garden, it is all done for you to simply enjoy as the perfect weekend to get away from it all, or as a permanent home. Three bright bedrooms include a main with ensuite while a large central bathroom provides European laundry. A well-appointed kitchen and breakfast bar opens to the main living and dining area with bi-fold doors to the expansive deck ideal for entertaining or relaxing in the afternoon sun. There's a fourth bedroom with a Tri Bunk, and heating, which would be the perfect little guest room. The property comes with an impressive list of features including hydronic heating, air conditioning, open fire, well-appointed kitchen appliances, high ceilings, monitored security alarm, bore water, off-street parking and Foxtel connection. NB. Some of the furniture has changed - There's near new, stunning coastal furniture.
