This charming family home is situated in a highly sought after and picturesque central location. It offers convenient access to the Main Street, hospital and all the amenities this lovely town has to offer. Located in a quiet Court with a central park for children to play, this original home was constructed by renowned local builder Peter Clarke, known for his commitment to quality craftsmanship. The split-level design and quality features make it a unique and comfortable home created with the needs of a family in mind. Upon entering the home, you will be greeted by character cathedral ceilings adorned with original wooden beams, creating a sense of spaciousness. The large formal living and dining room features an open fire adding warmth and charm. The central kitchen with a great view over the yard offers ample storage space and functionality. It opens onto the dining and lounge areas that seamlessly flow together and lead out to an undercover deck area offering views of the large backyard and the beautiful local landscapes. The home offers central heating and ducted vacuuming and has great bones ready to renovate into a spectacular family home. Ascending the stairs to the top level, you will find three generous sized bedrooms all with large built-in robes and main bathroom featuring a large bath, shower and toilet. The additional king sized master suite features a walk-in robe and ensuite with double shower. The four bedrooms offer ample space ensuring comfort and privacy for the whole family. Additionally, there is plenty of storage available in the hallway with a large linen cupboard and roof space storage, to accommodate your needs. The large split-level back garden and front yard offers an abundance of greenery that matches in with the theme of this beautiful street. An inspection is a must, so don't hesitate to book your inspection today.
