It is an understatement to describe this property as stunning! This designer home sits on 1.4 acres of land with breathtaking views across the coast. This property is a hidden gem, ideal for anyone looking for a serene and luxurious living experience in a beautiful natural setting. The house is split over two levels and features expansive decks on both floors, providing an excellent indoor/outdoor living experience and is surrounded by natural bushland, adding to its tranquility and privacy. The home offers an ideal combination of modern living, stunning views, and low-maintenance acreage. With its quality and ambiance, it sounds like a dream home for those seeking a luxurious lifestyle. Boasting 3 generous bedrooms upstairs, including a master bedroom with a beautiful ensuite and walk-in robe, and a living area downstairs, which could serve as a guest retreat with its own bedroom, bathroom, and deck. The gourmet kitchen is adorned with granite benchtops, featuring a gas cooktop, walk-in pantry, and servery window to the entertainer's deck. The gorgeous timber flooring and timber encased windows and doors create a contemporary and airy feel throughout. Ducted air-conditioning with 4-zone control for comfort. Solar power, town water, and tank water for sustainability. The Double garage is complete with workshop area and internal access. Fabulous gardens and a sense of privacy amidst the tree tops along with a tropical pool with a waterfall, perfect for enjoying the outdoors. All this only three minutes from the new Bli Bli Village Centre, an easy ten minute drive to the beach and the Sunshine Coast Airport. This property is available unfurnished. Tenant is responsible for checking and confirming internet availability and connection prior to applying.
