Ideally located only minutes to Hampton or Crows Nest, with school bus at bottom of the road. The 3440m² block has been extensively landscaped, resulting in low maintenance gardens, and extensive fruit trees, vegetable & herb gardens. This energy efficient modern home has been designed incorporating elements of sustainability. The result is an extremely comfortable home all year round, and lower energy costs. The home is spacious with wide hallways and generously proportioned rooms, and has fabulous flow and natural light throughout. It offers: * Living area and dining with raked ceilings, ceiling fans & wood-heater, opens onto front and rear (north-facing) Alfresco entertaining areas. * Lovely modern kitchen with dual dishwasher * Master bedroom with walk-in-robe and ensuite, opening onto private patio * 2 additional bedrooms with built-in-robos * Laundry, & Main bathroom with shower & separate bath * 2 x single garage (one with auto opening & internal access) * 2 x 10,300 gal rainwater tanks * Solar panels & solar hot water system * Glass - Tinted and 1 1/2 thickness for added insulation COMMENT: Great location, lower energy costs, and a beautiful and comfortable home! Don't drive by; this home is definitely worth an inspection. Contact the listing agent for inspection.
