From the road you can tell a lot of effort has been put into making this house a home. Its thoughtful layout has been designed for maximum enjoyment and efficient use of space. This home is equipped with split system air conditioning in every room, including living spaces, ensuring comfort year-round. Open-plan living, dining, and kitchen areas that effortlessly flow into one another, with double French doors extending the living space outdoors for entertainment. The master bedroom is enhanced with an ensuite and full-length mirrored wardrobes, and overlooks the entertaining space and pool. A main bathroom offers the convenience of a bathtub and shower combination, catering to all family needs. In the heart of the home, the kitchen boasts ample bench space, a built-in oven, electric cooktop, and rangehood. Overhead cupboards and a corner pantry ensure every inch is utilized for storage. Undercover parking accommodates two cars with additional space for a boat or camper trailer, edged and gravelled the extra space is well defined and looks great. When entertaining guests or keeping the kids outside the entertaining space is nice and shaded with easy access to both the large inground pool and dining / kitchen areas. Featuring a slide and built in seating the inground pool will be a very popular feature. A firepit in the backyard for cozy evenings, and established shade trees providing a nice enjoyable setting. Practicality is not forgotten, with a garden shed and a wall-mounted clothes line conveniently placed along the side of the home.
