Come home to luxury on Rucker's Hill and savour sparkling skyline views by selecting from these three individually titled opportunities with meticulously planned, approved designs for exquisite four bedroom plus study homes. Each set on a very healthy parcel of land, Clarke St Terraces have been conceived by a skilled team of local makers to offer 7 star rated, refined plans. Incorporating dual living zones, a gourmet kitchen, entertainer's terrace, spacious bedrooms, lush garden, swimming pool, internal lift and double garage, each plan is accompanied by expert interior and landscape design. Employing luxurious fittings and fixtures at every turn, plans come with two sophisticated colour palettes, along with streamlined channels to construction with a leading local builder. Moments from the countless attractions of renowned High St, putting outstanding cafes, restaurants, bars, shops and live entertainment at your fingertips, backing on to parkland, they're ideally close to transport and less than 7 kilometres from the CBD. A perfect setting for the most discerning, Clarke St Terraces take contemporary family living to the next level.
