Situated in the Yea Highlands on approx. 120 acres is this amazing property. The main feature is a 32 square homestead plus verandas, meticulously built by the owner. It consists of 3 bedrooms plus study, featuring 10 ft ceilings, full ensuite and walk in robe to the main bedroom, hydronic heating, and double-glazed windows just to name a few. A separate 2nd dwelling is a 3-bedroom cottage which would be perfect for friends or relatives to stay, or you could run it as an Airbnb. The land is mostly cleared, good pastureland supported by 3 dams of which 2 are spring fed. There are excellent stock yards and electric fencing of course. Shedding and car accommodation consists of a massive 350m<sup>2</sup> shed with power, hay shed, a double garage and carport. The property also has an endless supply of fresh bore water for household use and gardens all year round. Tank storage amounts to 180,000 litres. To appreciate this incredible property and the attention to detail it has, you need to inspect it. Seeing is believing. Price Range \$2.75 to \$3.0 mil.
