Location Location Location. It doesn't get any better; the Carlton Wine Room, Market Lane Coffee, and DOC pizza right on your doorstep. Suit professionals or families wanting a cosy home in the midst of the Carlton buzz. This solid brick Victorian cottage retains its period charm with exposed brick walls in the front living room, open fire place and timber floors ---while providing plenty of scope to extend and renovate. Entry via Welch Place (back ROW) affords access to simple off street parking upon installation of roller door.
