This large 5 bedroom, 3 Bathroom, family home with stunning views of the Mount Henry Bridge and panoramic views of the hills is a must see! Spread across 3 levels, this gorgeous mid century delight has been beautifully renovated and extended to offer a flexible and intuitive floor plan, featuring polished wooden floorboards, high ceilings, separate living areas, plus an office, parking for 3 cars and a large private backyard plus views for days makes this a stylish, contemporary home for the growing family. Four of the bedrooms are located on the ground floor, including a spacious mastersuite privately tucked away at the rear of the home, complete with a large walk-in robe, stylish ensuite and direct access to the backyard. Bedroom 2 offers direct access to the second living area and the rear deck, making this an ideal guestroom for visiting family and friends. Up on the upper level, the heart of the home awaits! A massive open plan kitchen, dining and family area that opens out onto the balcony, offering breathtaking views of the hills beyond the Mount Henry bridge. Located in the basement is a massive 5th bedroom or a self-contained "den" with an attached ensuite for the older kids. The stairwell that connects all 3 levels is brilliantly separated from the main bedrooms so you could start your summer parties upstairs and adjoin to the den without disturbing the rest of the family.
