The reluctant sale of this great block offers you the opportunity to acquire a prime acreage block just 10mins (approx 11km) from Mount Larcom and 44km from Gladstone. The block is approx. 79.94acres (32.27 ha) and is cleared and level with fertile soils. Approximately 65 acres has been previously cultivated and could be further pasture improved. The property is stock proof fenced for those wanting to run cattle. There is a seasonal creek and dam and 2 old bore sites, one of which had excellent rates. Plenty of room to build your forever home or a shed as a weekender. Call Emma Dingle for further information - 0419 714 937.
