A charming family home filled with character, natural light and terrific indoor-outdoor living possibilities, this immaculate and light-filled 4 bedroom residence is set on a wonderful block of 582 square metres (approx.). Conveniently positioned for family living, this is a heart-warming home with plenty of room to grow, as needed, in the future (STCA). • A bright, family-sized kitchen and dining area fills with northern light while flowing easily to an undercover entertaining area that is perfect for lovers of an alfresco life. • The living room is both spacious and warmly welcoming with polished hardwood flooring and a heater that is set in a stacked-stone fireplace. • All bedrooms feature built-in robes - the 4th can easily be used as a study, if preferred. • A bright bathroom with shower and an independent spa bath. • Secure parking for 4 cars, comprising a double garage, secure carport and extra parking behind a gate, as well as driveway parking for at least 2 vehicles. • Terrific position near Sunshine Market Plaza, Albion Railway Station, local buses and Victoria University, all with easy access to the Westgate Freeway.
