What an opportunity to secure this wonderful property, perfect for buyers coming off larger farms or ideal for a family wanting space with lots of room for kids to grow up. Located in the ever popular area of Kirkstall, the home sits on approximately 8.8 acres with good fencing all around and split into 4 paddocks. There is a race for loading and unloading livestock, shedding for storage, workshop etc. The home itself is a Bryan & Petersen built brick veneer that consists of 3 bedrooms, master with ensuite and walk in robe. A good sized kitchen is open to the dining area and lounge - great for families. A second lounge is currently used as an office and could easily be transformed into a 4th bedroom if needed. There is a sizable outdoor entertaining space that is enclosed with custom made screens so you can make the most of it no matter the weather. Too much to mention and really needs to be experienced for yourself, so enquire today to secure your tomorrow.
