Set on a flat block in a popular part of South West Sydney, this 2660sqm land is in the perfect location. It's just minutes away from Liverpool town centre, public transport, schools, and even the sporting club! Plus, it's in an established neighbourhood with a tight-knit community. The features are impressive too, with two street frontages, a wide range of development opportunities, and close proximity to Holsworthy train station, local schools, shops, and transport. Not to mention, it's easily accessible to the M5 Heathcote Rd on ramp and the M7 motorway. There are also shopping centres nearby and Hammondville shops and medical centre are just a short walk away. For more information, you can contact Azam Dabbagh at 0410 789559. It's definitely worth checking out!
