The property exists of a 2 bedroom high set house sitting on a great 2023m<sup>2</sup> - 1/2 acre allotment. The house is positioned on the allotment giving plenty of accesses to the huge backyard with great potential for sheds and storage. Yes, there is some cleaning to be done, both the house and the allotment with huge potential. The material fact affecting this property is the flood of 2022. The floor level of the house is 12.948m<sup>2</sup> (ADH Council records) making the floor level above the 1/100 year flood. Genuine Vendors.
