Find your slice of paradise at Wyuna, a 388-acre private oasis brimming with lush, verdant landscapes and captivating beauty. Wyuna - meaning 'place of abundant water' - is more than just a property; it's an escape from the hustle and bustle of everyday life to undisturbed countryside, offering the perfect blend of serenity and comfort. The stylishly renovated main dwelling offers a functional living space, three bedrooms, master suite boasting a walk-in robe for that added luxury. State-of-the-art Miele appliances, including a self-cleaning oven, are at your fingertips, creating an enviable living experience. The bathroom offers both a shower and a bath for versatile pampering options, along with a separate toilet for privacy. Unwind on the undercover outdoor blue gum deck. It not only looks stylish but offers ample space to host a large dinner party after spending warm summer afternoons frolicking in the creek with family and friends. Also perfect for simply soaking in the tranquil ambiance of your private rainforest. Additionally, there is a lockable garage, extra carport, and a secondary vintage-style shed, all powered and ready for your convenience. A staggering 140,000 litres of stored water on-site. Fire safety is paramount, with 7 fire hoses encircling the home, complemented by two accessible fire roads, ensuring peace of mind at all times in your luxury haven. For the nature aficionado, delight in the prospect of nurturing approximately 200 high-grade tea-tree plants, primed for the potential production of exquisite "Meluka" bio honey. Run a business from home with high-speed Starlink internet (account required), ensuring seamless digital interactions. Welcome to Wyuna, your sanctuary in the rainforest.
