One of the most charming and beautifully presented family lifestyles homes you'll have the pleasure of viewing. Stunning street appeal and sitting amongst the most magical and established array of gardens, trees and manicured hedges, you'll fall in love with everything that this home offers you. Sweeping verandahs surround the home, original windows offer a glimpse of the early days and a warmth and comfortable feeling you don't get with today's modern homes. The classic styled home has been pleasantly renovated inside with the large expansive living area and country style kitchen taking in the magnificent garden views via the impressive timber windows and french doors. Featuring 4 generous bedrooms, master with WIR and recently updated en suite with bath, and the master bathroom has been completely renovated. The ideal pergola area has been designed to take in the views of Lake Hawthorn and the night lights of Mildura, and enjoy everything this wonderful garden has to offer. The large 15m x 7.5m shed is ideally set up for the tradie with shower, toilet and vanity plus an internal bungalow or home office..Further features include a double carport with auto door, solar and auto sprinklers.Homes that offer period features and the creature comforts of todays homes are hard to come by. This magnificent property is your absolute forever home with the location, home and garden perfect in every way.
