This classic Greensborough home offers opportunities aplenty for 1st home buyers, renovators and investors alike. Set on 600m² approx, step inside this much-loved residence and be welcomed by the front lounge which enjoys ample natural light, and an adjacent study/lounge area overlooking the backyard. Walk through to find a classic timber kitchen with connected dining area. Four generously sized bedrooms share one classic bathroom. This floorplan is completed by laundry and separate toilet. The fenced and leafy front yard offers privacy while the backyard is a blank canvas to do something creative. With additional features including double carport and under house storage space and recent refreshments including painting and flooring upgrades. Walking distance to parks, Montmorency Secondary College, and close proximity to Greensborough Plaza and train station. Sitting in a quiet location in one of the best parts of Greensborough, this is an opportunity not to miss.
