This delightful property effortlessly combines modern comforts with rustic charm. This inviting home offers cozy and practical living, while allowing you to embrace the beauty of nature all around. Inside, you'll find a updated kitchen that strikes the perfect balance between style and functionality. The Tasmanian Oak floors exude a warm and timeless ambiance, and the wood heater adds a touch of comfort, especially during cooler months. The abundance of natural sunlight that fills each room creates an inviting atmosphere. The well-positioned windows offer pleasant views of the surrounding landscape, making you feel connected to the outdoors. Storage won't be an issue, as there's plenty of space to keep your belongings organized. The property features a useful storeroom and workshop for your tools and projects. Step outside to discover the charming outdoor features that make this property special. The chicken coop and run are perfect for those interested in sustainable living and fenced garden beds are ready for your green thumb. A wood shed ensures you'll have firewood on hand for cozy evenings, and the spacious veranda invites you to relax and enjoy the peaceful surroundings. The property offers seven paddocks providing ample space for various activities and interests and the four water troughs are thoughtfully located and provide ample supply for your stock and pets. A picturesque dam adds to the charm of the landscape, and the property's back boundary runs alongside the scenic Little Supply River, enhancing the natural beauty of the setting. This property offers a comfortable and down-to-earth lifestyle that captures the essence of country living. From the updated kitchen to the wood heater, every detail has been designed to create a home that embraces simplicity and tranquillity.\*Peter Lees Real Estate has used a variety of sources to obtain information relating to this property.
