PRIVATE ACREAGE WITH GARDENS AND VIEWS

Positioned at the pinnacle of the Blue Mountains on just under 3 private acres of exquisite cold climate gardens is this architecturally designed home. Rich in character and built from Californian redwood, the eye-catching residence and surroundings evoke a blissful sense of calm and tranquillity. It has truly unique design incorporates soaring vaulted ceilings and walls of glass, creating an idyllic indoor/outdoor fusion whilst nestled perfectly into the Mountainside. It encompasses majestic valley and escarpment views blending seamlessly with the unique nature of its meandering landscaped gardens and a charming chain of ponds.

Features of this property include:

- 4 double bedrooms, 3 bathrooms, (2 bedrooms with ensuite)
- Expansive views of the Kanimbla Valley and beyond
- Open plan living room and adjoining dining room with full valley views
- Soaring lime washed ceilings and hardwood timber floors
- Kitchen with walk in pantry
- The White Room - Picturesque windows showcasing Spring colour and Valley views
- The Loft - Great space for additional guests, studio or work from home space
- Billiard room and second living area with parquet flooring
- Multiple verandas all with phenomenal views and aspects
- Open fireplace and central heating
- Office nook or library
- Stunning outlooks from every room in the house
- Completely private on approximately 2.92 acres
- Hand crafted stone walls and exquisite mature gardens including an extensive collection of Japanese maples
- Huge double garage and under house storage area

In such a secluded setting with its spacious layout and wide selection of outdoor retreats and internal spaces this is an incredibly rare offering. Bursting with Spring colour and with absolute lifestyle appeal, this ideal sanctuary is ready to share with family and friends all framed in picturesque gardens and the backdrop of Blue Mountains vistas.
