Located on two and a half acres in the Perth Hills, this home has just recently been renovated, taking advantage of the NORTHERN aspect to allow light throughout and for you to immerse yourself in the gorgeous Perth sunsets and sunrises from the comfort of your bedroom and the main living area. The beautiful and well designed renovation has transformed the original home into a spacious family residence offering 4 bedrooms and 2 bathrooms Plus 2 large but separate living areas. In the winter months you can enjoy a cozy night in front of a standalone fire place. While an outdoor spa, alongside an entertaining area with a fire pit and pizza oven, allows you to make the evenings yours to enjoy all year round. The renovation has been delivered with performance glass grade windows, allowing you to keep insulated from the cold in the winter and from the heat in the summer! With quiet peaceful acreage, the opportunity is yours to enjoy the space with the family, build an orchard or just relax among the beautiful tall timbers. With all the charm of a hills property and the added benefit of a practical block, you're nestled among the trees. At dusk, you can watch the local birds fly home to rest, and at in the dark you can enjoy clear night skies and your own personal star gazing site. In fact it really is OUTDORABLE! The property comes with dual street frontage, a large double garage and a Massive shed, perfect for home projects or as storage for your boat, caravan and anything in between. Visit the property, walk around the block and get ready to nestle in to your hills lifestyle. Call now for further information! Peter Kuhne on 0428 758 822
