A rural aesthetic, this property has gated entry at street level with three paddocks fenced off before driving through to its private and tropical surroundings. Around the home are some of the most impressive lush gardens with easy care design and high impact. A ring of native bushlands and a cleared section near the home with storage containers and the garden sheds. The home itself is a semi elevated demountable with a single bedroom that has dual access with a door through to the verandah. Inside is a living, dining and kitchen space with split A/C and country chic vibes in the kitchen with plenty of storage space and stone benches. The bathroom is enormous and complete with a bath tub / shower combo and built in storage. Additional built in storage in the hallway. Verandahs wrap around two sides of the home offering plenty of outdoor entertaining and relaxing space to enjoy the views of the colourful gardens. There is carport parking for 2 at the front plus chicken coop. This is rural living, enjoy your own piece of tranquility just 40 mins from Palmerton.
