185 WATERHAVEN BOULEVARD POINT COOK Showcasing a stylish and luxurious design, this presentation-perfect home in Point Cook's best location delivers the ultimate in low maintenance, designer living. A considered floorplan invites a variety of buyers, and the spacious layout benefits from an abundance of natural light. Cleverly zoned, open plan design delivers ample space, with a large living and dining area orientated to maximise the northerly aspect and an entertainer's courtyard the perfect space to enjoy the outdoors while you entertain with family and friends. Presenting as new, boasting the highest quality appointments throughout, and featuring: - High Ceilings - Large kitchen with modern appliances - Stone Benchtops - Master bedroom with full ensuite - Separate Powder Room - Heating and Cooling - Remote lock-up garage All of this in a blue-chip enclave with immediate access to Point Cook College, Waterhaven Park and wetlands, and just moments to Stockland Shopping Centre and Williams Landing Station Private viewings are now available, please contact Peter Di Giorgio to arrange a time to inspect.
