Enjoy country living at the seaside, this must-see property has potential multi-generational living with a large rumpus, 2 bedrooms, family bathroom and kitchenette/bar downstairs. Upstairs boasts a well-appointed kitchen, master with ensuite and walk in robe, another bedroom and a spacious deck overlooking the fabulous greenspace. The views from inside looking out are just as good, as the large glass doors from the Open Plan kitchen living dining all look out at the vista. The outdoor patio on the ground level is perfect for summer barbies, discover the courtyard at the front of the property, just a lovely little sanctuary to read a book or for some me time. The backyard is big enough for that family game of cricket, bowls, or plant a vegetable garden. Enjoy watching the wildlife from the grazing kangaroos, the spoonbills, migratory birds, parrots and the kookaburras. They all love to visit, enjoy long afternoons and meals on the deck which has the benefit of outdoor blinds, enabling all weather enjoyment. Single car accommodation with internal access, and the extra height carport for the boat or caravan offering drive through access to the back yard. Beautifully appointed 11-year-old home with shutters on the windows, blinds on the doors, security screens on sliding doors and kitchen window, the list goes on, inspect this lovely family home and discover all the benefits it offers.
