Birchwood Cottage

Birchwood Cottage is a rural zoned property located less than 2kms from the heart of Denmark town on Mount Shadforth Rd. From the moment you enter you will feel comfortable and right at home in this gorgeous well-maintained cottage that turns on the charm everywhere you look. Inside its light and bright décor over old world architecture with jarrah floorboards and loads of interest. 4 bedrooms x 1 bathroom are downstairs and 1 bedroom plus activity area upstairs. The country kitchen will have you baking away with its modern appliances and enjoys views over the gardens and adjacent farmland. More recently a useful studio room with its own entrance has been added to the front of the cottage that blends well to its surrounds and could lend itself to options like running a home business. Outside you will benefit from the surrounding farmland without having to be on a farm. The patio offers comfortable entertaining and has easy access to the kitchen. Enjoy the mature gardens which would be ideal in becoming self-sufficient with lots of interest everywhere you look including secret gardens and hidden areas to explore. A new powered GP shed is generous in size and will house all the toys along with the other various outbuildings and substantial rainwater holding. Viewings are strictly by appointment so call Brett to arrange a viewing today.
