Perched atop 11 private acres, this builder's own brand-new residence is an absolute marvel. Meticulously designed & built to the highest of standards, this expansive brand new luxury abode boasts panoramic views across the Northern Gold Coast to Northern NSW. Crafted with over 1000 tons of concrete and a robust steel frame, it stands as a testament to luxury living. Upon entering the luxurious home the automatic gates open to reveal 700 square metres of exposed concrete drive, beautifully framed by stunning landscaped surrounds. Adorned with an inlaid lighting system, the 6m high feature concrete wall welcomes you to an extraordinary lifestyle. Create your culinary delights in the absolute stand out of a kitchen which features combination of natural black jaguar granite, timber countertops & the highest quality appliances & finishes. The butlers pantry provides even more space and has, as its stand out feature, 1 way glass so that you can still enjoy those beautiful views whilst remaining discrete from the outside. With seamless indoor outdoor flow, the covered outdoor entertaining area with built in gas BBQ & sink, is neighbored by the 11m infinity edged pool providing exceptional entertainment options. Ensuring ample space and comfort for the whole family, every single bedroom is ensuited whilst the additional media room, games room & home office give extra options. The absolutely stunning master suite creates an atmosphere of grandeur with the floor to ceiling windows ensuring the surrounding ambiance infuses the room. The walk in wardrobe is something else entirely and it also includes its own outside retreat and surprises with the extra large security safe. Providing more opportunities, the 180m² insulated shed has its own full bathroom, kitchen & 3 phase power. There is even extra space perfect for the boat or caravan!
