\$200,000

Located in close proximity to the Lismore CBD, shopping centre, sports fields, and so much more, this 3 bedroom home that has been stripped back ready for the next buyer to renovate. Recently affected by the February 2022 floods the home has potential for the renovator/builder to add value, in this very handy location. The home features 3 spacious bedrooms, separate lounge and dining areas, plus a large deck to the rear of the home. Patterned high ceilings plus polished timber floors add to the home's charm and character ready to bring back to its former glory. The backyard is very spacious (809m² block) and has vehicle access from the side of the house, making this block ideal for future sheds, pool or space to park trailer/boat. Such a large block also gives room for the kids to play, veggie gardens/fruit trees and family pets. Don't wait until it's gone, call today.
