With a large five-bedroom floorplan, there is ample room for a growing family in this well-presented home. Set on a spacious corner block, there is plenty of room for playing outside or splashing in the pool. There is even room for a Granny Flat (S.T.C.A). The family-friendly Phillip Park Community Hub is just down the road, along with Lurnea Shops and a host of local schools. This great home has been updated with a modern bathroom that boasts a standalone tub and new fixtures, plus a designer kitchen with gas cooking, lots of storage, a dishwasher and views over the rear yard. It's a haven of comfort for families and entertainers alike. Quality timber floors flow throughout the home and a neutral colour palette adds a sense of space and light. Outside, there is plenty of potential to create a private retreat for the whole family to enjoy. There's already a pool, but some tropical landscaping and fresh turf could turn this functional yard into an oasis that can be enjoyed year-round. * 5 bedrooms, 2 bathroom * Air-conditioning * Parking for four cars * Close to schools, shops and parks * Ample land with the potential to add a granny flat (STCA)
