Showcasing superior quality and designer style, this superbly renovated three bedroom two bathroom plus studio Californian Bungalow is a model of single level sophistication. From the classical elegance of its 1920's era facade that carries through carpeted bedrooms with built-in robes, master with a romantic bay window, walk-in robe and luxury ensuite, to the contemporary class of open plan living featuring seamless access to alfresco entertaining, this bespoke home merges old and new with consummate ease. Traditional bedrooms share terrazzo lined bathrooms, the exclusively tiled and skylit family bathroom with a designer tub, and the sundrenched living domain with its soaring ceilings, Escea wood fireplace and handcrafted cabinetry delivers on-pointe family living. AEG and Asko appliances feature in a gourmet kitchen where meticulous attention to detail sees custom timber handles on extensive soft-close cabinetry sit alongside striking porcelain counters and splashbacks, while seamless entertaining comes via sliding doors to travertine lined alfresco entertaining with a streamlined built-in BBQ. Add to this a versatile studio/home office or guest retreat in landscaped north-facing gardens, custom lighting, wool carpets, double glazing, skylights with automatic blinds, solar panels, ducted heating/cooling, security system plus off-street parking. Near Merri Creek trails, schools, Miller Street cafés, trams and vibrant High Street.
