If you're looking for quality, then look no further! With a functional layout and offering unsurpassed quality that will be sure to impress astute investors with no owners corporation fees or owner-occupiers alike. Walking into the property you will feel the sense of space with the 3m high ceilings and a long hallway with polished Hardwood floors leading through to the open plan layout. The kitchen boasts 2Pac cabinetry with 40mm Calcutta stone bench tops, tiled splash back, Miele stainless-steel appliances including a dishwasher and adjoining onto the open living area which includes a Mitsubishi electric reverse cycle split system. Leading out through the panel glass sliding doors you will find your own private courtyard with a water tank and external access to the lock up garage. Downstairs also features a separate laundry and second bathroom. Heading upstairs via the hardwood Tasmanian Oak staircase you will find two generous sized carpeted bedrooms, both with Mitsubishi reverse cycle split system, mirrored sliding built in wardrobes and serviced by the stunning modern bathroom with floor to ceiling tiles, matte black fixtures and shower with double shower head. Complementing this immaculate street-facing home is an alarm/intercom system and LED downlights throughout. Within walking distance to public transport, Upfield bike path and the vibrant Sydney, Moreland and Melville Roads which includes cafes, restaurants and Shore Reserve this property is truly a masterpiece, come and see for yourself!
