Situated a short stroll to Four Mile Beach and an easy jaunt to Macrossan Street, 19 Sands Resort is perfectly located and comfortably appointed. Future homeowners are greeted by a recently refreshed open-plan living, kitchen and dining area, which offers plenty of space for entertaining and relaxing. Further beyond, a comfortable terrace floods the apartment with natural light and overlooks a well landscaped garden of palms and tropical foliage. Three comfortable bedrooms, each with natural light and built-in robes offer plenty of flexibility - why not turn one into an office, studio or yoga room? The primary bedroom includes a tidy ensuite bathroom, while a spacious guest bathroom houses the in-unit washer and dryer. This apartment has been carefully maintained with updated carpeting and fixtures throughout. Beyond the charms of this second-floor apartment, Sand Resort offers the key amenities a Port Douglas property requires: a fabulous resort-style swimming pool, BBQ area and underground parking with an allocated space. Convenience, relaxation and a slice of paradise awaits. 19 Sands Resort is perfect for first home buyers looking to settle in the tropical north, or for those seeking a lucrative holiday home investment.
