This architecturally designed luxury townhome with three bedrooms, two living spaces, and a study is ideally located within the Mount Duneed Village Precinct. Each townhome draws inspiration from nature, with facades that embrace a timeless yet contemporary palette of materials. With an open-plan design, this articulated floorplan featuring modern fixtures and finishes makes this townhome a complete luxury escape. Enjoy having everything you need on your doorstep, with a range of retail and dining options within walking distance of every home. Find your new local to enjoy with friends and family at the Town Square's dining promenade - while across the precinct, you will find a variety of retail and services underpinned by Champions IGA Supermarket and the Saltwater Swim School.
