\$470,000

A stylish entry point into the property market or a smart portfolio addition, this two bedroom, two bathroom apartment offers modern living with sensational lifestyle benefits, with a prime location near shops, cafes, and transportation options. The open floorplan features a generous meals and living zone that flows out to a large undercover balcony for year-round enjoyment. Astute home cooks will love the stylish kitchen with stone island breakfast bar, gas cooktop, oven and dishwasher. Two large bedrooms feature built-in robes, a study nook to one bedroom and an ensuite to the master. The central bathroom has the added convenience of laundry facilities. Other benefits include split system heating/cooling, floating floors, roller blinds, secure intercom entry, and stacker car space plus storage cage. Enjoy the dining and shopping spoils of High Street and easy access to Bell Station, buses and city-bound trams.
