After crafting the ultimate lifestyle property, the current owners have purchased on the Sunshine Coast and are ready to bid a fond farewell to their home among the gumtrees. The executive residence was designed and built with an attention to detail seldom seen in new homes and truly needs to be seen to be appreciated. This attention to detail isn't limited to inside, moving outside you are greeted with a landscaped oasis that features an 8x8m shed, 6x4m concrete pool, and a fenced backyard with more fruit trees than you can poke a stick at. Inside the property feels light and airy with high ceilings overhead and Black Butt timber floors running underfoot. This sets the tone for a home that seamlessly combines sophistication and comfort. For those who love to entertain the property is perfectly set up to cater to family and friends alike. Regardless of if you would like to lounge effortlessly in the media room, complete with a projector and Bose surround sound system or relax by the pool with a beer in hand this property will enable you to make the most of the Whitsunday lifestyle. The Shaker style kitchen is a masterpiece, featuring two Miele pyrolytic ovens, a built-in microwave, and stone benchtops that exude both style and functionality. The thoughtful design extends to four bedrooms, each adorned with built-in robes, air-conditioning and layouts that provide a harmonious blend of form and function. This is more than a home; it's a testament to a life well-lived. Make 19/137 Telford Road your haven, where every detail is a reflection of your aspirations.
