Start in style, downsize to the location you love, invest in an address just off Bay St with the biggest and best in this securely gated group! Fully renovated and offering clever dual suite accommodation to suit first-home-buyers, downsizers and share-housing tenants alike, this secluded two bedroom, two bathroom garden apartment is cleverly configured with a private ensuite for both bedrooms, a built-in or walk-in robe for each, and central living flowing to a sunny north-facing courtyard. Super-stylish with a cutting-edge stone-finished, subway-tiled kitchen (starring an Ilve induction cooktop and integrated drawer-dishwasher), designer-style bathrooms (with floor-to-ceiling tiles) and airy Oak floors, this up-styled apartment has a practical side too. Appointed with reverse-cycle air-conditioning plus streamlined ceiling fan for climate-control, and two individual hot-water systems for an end to cold showers, there are two secure carspaces at the front door and sunny decking at the back door – complete with a designer doghouse! With handy local shopping at the door, Bay St's café society and station around the corner and the Golden Mile beachfront within a wander, this is your best off-Bay opportunity!
