Perfectly positioned and elegantly presented, with a recent extensive renovation, this expansive acreage home ticks every box for those looking for space for the extended family! Serenely located in the Hinterland hills, Glenaura Drive is one of Tallai's whisper quiet, tree lined cul de sac streets, beautifully peaceful, yet unquestionably convenient to all the area has to offer. Nestled on one acre of lush Hinterland paradise, this property enjoys two residences, with a spacious main home and a second, generous two-bedroom cottage, perfect for the extended family, or, perhaps Air B n B, as is presently the case, enjoying enticing returns.....the choice will be yours. The main home is two level, offering an expansive and functional floorplan, with great versatility to suit any family's requirements. Currently the home is set up as a six-bedroom property, perfect for the larger family, with light filled open plan living spaces on each level. The impressive master suite enjoys a private balcony, the most idyllic spot to welcome the day, with a warm coffee and the mesmerising birdsong easing you into your day. The "walk through" robe leads tantalisingly to the simply stunning ensuite bathroom with earthy floor to ceiling tiles, quality cabinetry and stone benchtops. The family bathroom is of similar stature, also enjoying a bathtub to soak in at the end of a long day. High ceilings provide great character and promote bright, modern and airy ambience across both lower and upper levels. The modern kitchen is at the heart of the home and boasts a stone island bench and a 900mm gas cooktop and oven. The cottage is privately positioned, close enough, yet far enough from the main residence and provides two bedrooms, an expansive open plan living area and a functional, well-equipped kitchen. This area really does offer many options, including very comfortable accommodation for older parents, older children, or as previously mentioned, an income providing Air B n B listing to ease those cost-of-living burdens and treat yourself to some fun! When it's time for a family BBQ the whole crew can meet around the sparkling swimming pool, kids splashing away, whilst the adults enjoy dinner and a few drinks under the gazebo, telling stories, joking, laughing and creating lifelong memories. Sounds amazing, doesn't it?.....That's because it is - Just make sure you don't miss this, as the wait for another could be painful!
