Dual family living executed this well is a rare find indeed! One five and one four bedroom home enjoying bushland and rural views and lush garden surrounds on a superb 4 acres, 16,520m² (approx.), feature spacious living areas, open kitchen/dining and fabulous entertaining decks ensuring no one misses out. If you're looking for a property designed for multigenerational living in a stunning location look no further than this terrific offering. The property also boasts two fully fenced paddocks, one with a dam, and two stunning creeks, one of which has been landscaped. The front home features soaring timber lined cathedral ceiling appointed lounge with cosy wood fire, updated bathroom and kitchen/dining space opening to a covered deck with wood heater, ceiling fans and outdoor kitchen. Overlooking a neatly landscaped yard with lush treed backdrop and firepit area, the deck is ideal for alfresco meals with friends or simply relaxing. The home also offers two double garages and double carport with wood storage. A private oasis at the rear of the property, the second home is rich in character detail featuring mudbrick construction with split level design showcasing beautiful timber lined ceilings. A four bedroom plus fifth bedroom/study layout includes ensuite master, two living areas; lounge with outlook to front garden and expansive family room showcasing dining nook and timber kitchen. A stunning covered deck offers excellent outdoor living and entertaining. Under house storage, two sheds and a double carport add further comfort and convenience. Nestled opposite Morrison Reserve with playground and sporting ovals, Yarra Hills College, CIRE Community school and early learning centre within short walk.
