Occupying an incredible 220 sqm of indoor/outdoor living and flooded with northern light, this exquisite house-sized apartment offers the ultimate in luxurious living and entertaining, while finished to perfection. This stylish sanctuary reveals designer interiors with Black Japan floorboards, separate lounge/dining and a state-of-the-art Smartstone kitchen, while the versatile living zones enjoy a seamless transition to the sun washed entertainer's wraparound balcony. With its own private entry and direct internal access to a secure double lock up garage (with built-in storage) and access to the "Manning Gardens" indoor heated swimming pool and manicured gardens, this impeccable residence is positioned for lifestyle excellence, within a stroll of cosmopolitan Queen Street village, Edgecliff Station, buses and moments to prestigious schools. Generous layout boasting approx 220 sqm of indoor and outdoor living. Welcoming entrance foyer leads to separate oversized living/dining zones. State-of-the-art Smartstone island kitchen, DW + Miele induction cooktop. Integrated fridge/freezer, premium appliances and integrated sound system. Effortless flow to north facing wraparound balcony with private garden outlook. Skylit study zone, dedicated TV/media room, deluxe master suite, walk-in robe. Chic bathrooms, master ensuite with spa bath, ducted air-con, creative lighting. Int laundry, private entrance, int access to DLUG (with storage), visitors parking.
