Situating in the heart of a solidly built block, this peacefully positioned one bedroom top floor apartment provides immeasurable lifestyle and investment appeal. Sunny and inviting, the layout instantly delights with a spacious living room bathed in afternoon sunlight. While a separate kitchen with vintage cabinetry/pantry and an updated electric stove enjoys plenty of morning sunshine and overlooks a communal, central courtyard. The double bedroom is well-served by built-in-robos and modernised bathroom with shower over a bath, floating vanity and w/c. Complemented by split-system air conditioner, day & night blinds and car space. In an ultra-convenient, yet quiet pocket, it's close to the vibrancy of High Street shops, cafés, parks, buses, St Georges Road trams and Croxton train station.
