Asking: \$649,000

Uninterrupted water views that cannot be built out and set behind striking double storey façade, this home is defined by a generous interior and the highest quality finishes within this stylish and spacious interior that is set to deliver premium living in a lifestyle location, footsteps to lakeside tracks and trails for the short stroll to all the recreational and educational benefits the Village has to offer, including the bus to the station. Architect-designed to deliver appealing low-maintenance lock and leave living, this home introduces a study and 2 bedrooms, complementing it with the main bedroom with an ensuite introduces the sleek luxury of floor to ceiling tiles, a theme carried through to the family bathroom serving the remaining bedroom. A striking kitchen showcasing premium quality appliances anchors the open plan living opening to a generous terrace where you can entertain against a background of the lake, with some looking to the distant ranges. Featuring auto door garaging (internal access), video intercom entry, euro laundry. Buyers can look to nest or invest (we can even help you with tenants).
