Designed to fit metro sites, the Kurrajong packs plenty of living space into a clever, economical floor plan. The modern galley style kitchen overlooks an open-plan family room and dining, with easy access to a covered alfresco area for year-round entertaining. There are three bedrooms, including the spacious master bedroom with large walk-in robe and ensuite, and a stylish main bathroom with separate WC. A single lock-up garage has internal access to the welcoming entry foyer. Allow yourself to imagine the lifestyle you've always wanted; in the home you deserve! The Kurrajong design offers individually crafted facades that will inspire you by providing a choice of homes that reflect your personal lifestyle and preferences. For optimal site use, this design is best positioned on sites with the north aspect towards the rear and side of the home, providing sustainable and comfortable living conditions throughout the year.
